Dear Dr. Vela:

The following action regarding your institution was taken by the Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) during its meeting held on December 3, 2017:

The SACSCOC Board of Trustees reaffirmed accreditation and removed the institution from Warning. No additional report was requested. Your institution's next reaffirmation will take place in 2026 unless otherwise notified.

Please submit to your Commission staff member, preferably by email, a **one-page executive summary** of your institution's Quality Enhancement Plan. The summary is due **February 15, 2018**, and should include on the same page the following information: (1) the title of your Quality Enhancement Plan, (2) your institution's name, and (3) the name, title, and email address of an individual who can be contacted regarding its development or implementation. This summary will be posted to SACSCOC's website as a resource for other institutions undergoing the reaffirmation process.

All institutions are requested to submit an "Impact Report of the Quality Enhancement Plan on Student Learning" as part of their "Fifth-Year Interim Report" due five years before their next reaffirmation review. Institutions will be notified 11 months in advance by the President of the Commission regarding its specific due date. Directions for completion of the report will be included with the notification.

If you have questions, please contact the SACSCOC staff member assigned to your institution.

Sincerely,

Belle S. Wheelan, Ph.D.
